Message #5: SHARE**

Application: an act of putting to use.... as in new techniques

John 6:26-35

How have you struggled in your witness, by showing or by telling?

How did Jesus intentionally transition from showing the Gospel to declaring the Gospel verbally?

Read James 1:17. If faith without works is dead, then are works without faith also dead?

Give three acts or deeds in your SPLASH zones that can point to greater spiritual truths.

Transformation: to change in character or condition; to convert

**Week 4 Challenge:
Take one of your ideas, act on it
AND share the greater truth.**
