Message #3: LOVE**

Application: an act of putting to use.... as in new techniques

Luke 19:1-10

Do you know people who are searching for true life through avenues other than Christ Jesus and His church?

What are some negative results of looking for true life outside of Christ Jesus?

What is in your life that is keeping you from seeing these PEOPLE as Jesus sees them?

List PEOPLE in 3 of your SPLASH ZONEs who need to hear Zaccheus' story of searching for Jesus.

Transformation: to change in character or condition; to convert

Week 2 Challenge:

Identify one of the PEOPLE from your list and begin to pray Luke 19:10 over them for the next few days.
